ABC WORLD SYSTEM

EXCELLENCE IN AIR FREIGHT FORWARDING

About us

abc-worldsystem.com

ABC WORLD SYSTEM

is an international air freight forwarder based in three major despot:

Hong Kong

London

Moscow

We specialize in a complex air logistics service including airfreight, packaging, customs clearance and trucking.

Express delivery, guaranteed schedule and 100% cargo safety is our main goal, which we relentlessly meet.

Our tailor-made and cost-effective service solutions fit any kind of delivery complexity and challenging task.

Why us

"We will look after your business interests and consider it as our own"

RESPONSIBLE AND EXPERT

Our aim to provide our clients with convenience, reliability and affordability through our premium logistics services

COST EFFICIENT

We are always focusing on providing an excellent fast service with high degree of flexibility and rate which significantly reflect the market on the high-volume airway routes

FAST AND QUALIFIED

The short term of express delivery is carried out as a rule, max 1-3 days

OUR CORE VALUES

We have 20+ years of experience in the business of logistics, warehousing, distribution and supply chain management services. ABC World System was founded with the ambition and a target to offer customers best air shipping services with the highest level of dedication and commitment.
